

Our Little Brickhill Woodland, Bedfordshire

Don't leave home without these instructions

Please use the following details to arrive at the woodland 15 minutes prior to your course start time to enable us to make a prompt start. While the course is held in a rural location the nearby towns and surrounding motorways can cause significant traffic congestion at times so please allow plenty of time for your journey.

Setting

This 70 acre private woodland sits on the side of the Woburn Abbey Estate. Comprising of a 50/50 split of broad leaf and coniferous canopy it hosts some wonderful topography and is home to a wide variety of flora and fauna, including Muntjac and Chinese Water deer.

Running late?

If you are delayed at all please contact us at the earliest possible moment on **07843064114** so we can try and plan logistically to get an instructor back to the meeting point. However, please note due to the rural setting and the safety considerations of the course late arrivals may mean that we cannot wait for you at the meeting point and you may not be able to take part in the course - In these situations late arrivals will be considered a cancellation on your part.

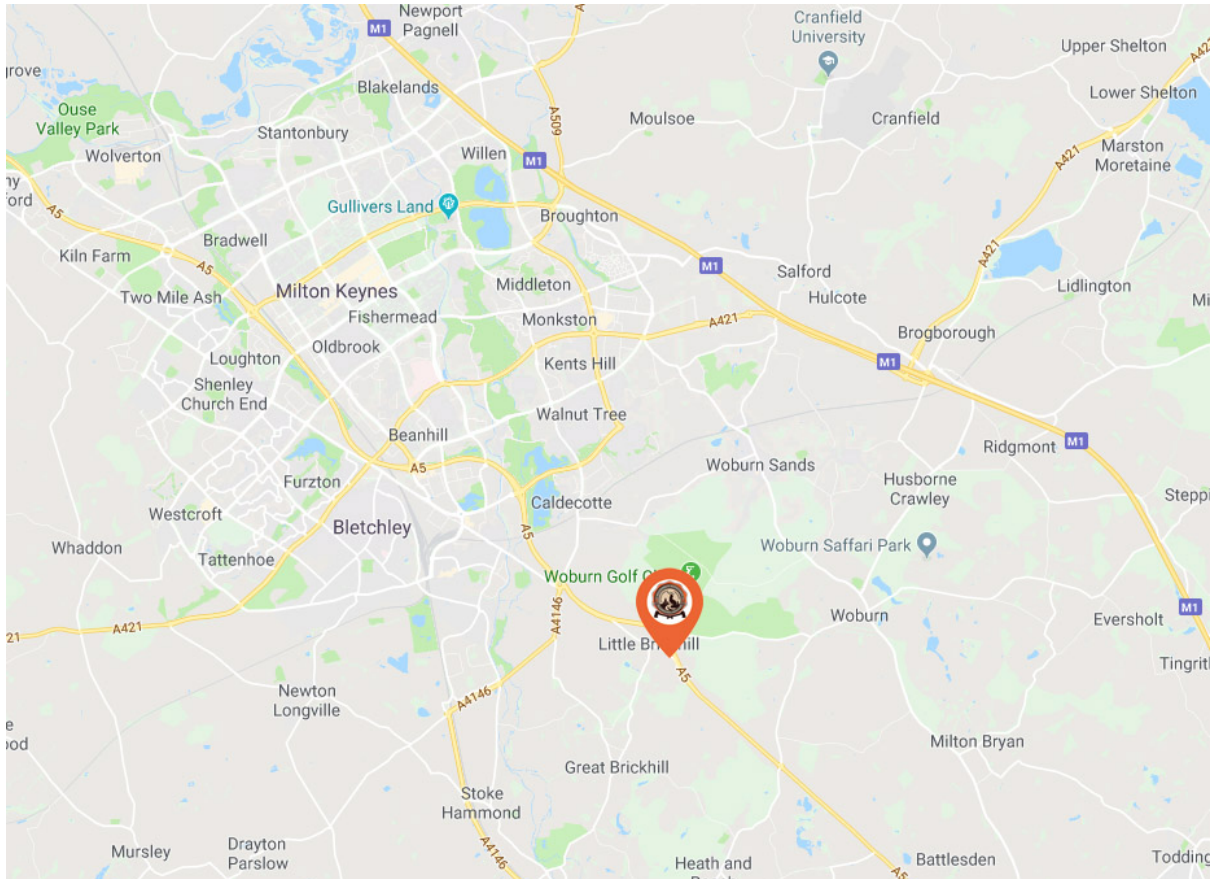

On arrival – stay safe

Access to the wood is via a gate which will be unlocked by an instructor 15 minutes prior to the start of your course. If arriving before the gate has been opened please park sensibly along the road so as not to cause issues to passing traffic. **Please do not wander into the woods before an instructor has arrived as there may be shooting taking place.**

Public Transport

Pre-planning your journey to arrive approximately 15 minutes prior to the start time of your course is crucial. The nearest train stations are Leighton Buzzard, Bletchley and Milton Keynes. This will then need to be followed by a taxi drive to the wood which takes approximately 20 minutes. Prices can vary dramatically depending on the service used and the day/time of arrival but you can expect to pay around £20 so please investigate and book in advance if possible to avoid any price surprises.
