

Our Edale Meeting Point, Peak District

Don't leave home without these instructions

Please use the following details to arrive at the meeting point 15 minutes prior to your course start time to enable us to make a prompt start. While the course is held in a rural location the nearby cities of Manchester and Sheffield, and the surrounding motorways can cause significant traffic congestion at times so please allow plenty of time for your journey.

Setting

Our navigation course takes place within the stunning Peak District National Park and we use the Kinder Scout area as our training ground. Set in the beautiful hills of Derbyshire there is no better venue to learn Navigation. Our starting point is a short walk from the centre of Edale village. Participants have the option of booking into one of many local B&B's or joining the instructors at Coopers camping and caravan site.

Running late?

If you are delayed at all please contact us at the earliest possible moment on 07843064114 so we can try and plan logistically to get an instructor back to the meeting point. However, please note due to the rural setting there is no phone signal in Edale so if it is the morning of the course we will not be able to assist you so a late arrival may mean that we cannot wait for you at the meeting point and you may not be able to take part in the course - In these situations late arrivals will be considered a cancellation on your part.
